

Letter to the Editor:

On June 30, 2009, the Inlet Historical Society met and approved dues amounts (Individual \$15, Household \$20), and the first members joined and approved by-laws required for chartering the organization. The members also elected the first officers and directors: President (Charlie Herr), Vice-President (Dave Scranton), Treasurer (Greg O'Hara), Recording Secretary (Dianne Thibado), Corresponding Secretary (Adele Burnett) and Director (Mitch Lee). The Town Historian, currently Letty Haynes, was also confirmed as a Director.

Membership forms for new members are available at the Town's Information Office. The form may also be printed from the Society's new website, www.inlethistoricalsociety.org . Please view this website in the coming weeks as we add meeting minutes, bylaws, history segments and other information about the Society, including contact information.

Those becoming members prior to August 1st will be considered Charter Members and will be listed on a wall certificate at our new museum as the founding members of the Society. Finally, while the Board is currently establishing operating procedures and reviewing offered museum space, members and others who wish to contribute their talents to promote and preserve Inlet history are invited to join the several working committees of the Society. Our mailing address is P. O. Box 473, Inlet, NY 13360.

Sincerely,
Charles Herr, President
Inlet Historical Society, Inc.
